I don't know about you but this is the hottest summer I can remember in my 28 years in Florida! We have a great assortment of trips for the coming year. Our Spa Ladies just returned from an awesome weekend at the Trump National Doral in Miami and are already planning their return trip for next July. Our Africa trippers are looking forward to a trip of a lifetime in November. For you skiers (and boarders) we have two domestic ski trips to great western ski towns and one international to Spain planned for this coming season. Information on all of these trip offerings may be found on our informative website [www.spacecoastskiclub.com](http://www.spacecoastskiclub.com)

This European adventure will include visits to Madrid, Granada, Sierra Nevada, and Torremolinos. Initial space is sold out but we are working to

1. There is medical insurance to cover your medical expenses if you got sick or injured unexpectedly on your trip along with medical air evacuation.

This type of insurance is very inexpensive and provides "peace of mind"! Typical medical plan is as low as \$21pp no matter what the age!

2. Then there is trip cancellation and trip interruption insurance that comes in a package that includes trip cancellation and trip interruption coverage, medical coverage, medical air evacuation and other benefits such as lost or delayed luggage, travel delay due to bad weather and coverage for missed connections.

When travelers are suddenly forced to cancel expensive trips due to illness, injury or a death in the family and they do not have this insurance, they lose 100% of their money the closer they get to their departure date.

The price is based on your age, the state in which you reside and most importantly the cost of your trip including land, air and lift tickets. With group travel, the package price can be reduced.
