SEPTEMBER 2020 NEWSLETTER

President's Message

We hosted our club's first meet-up since the start of COVID. The bioluminescence kayak tour was a big success, selling out and enjoyed by all. Our next planned meet-up will be a bonfire in November.

Are You REAL ID Compliant? In the upper right-hand corner of your driver's license or ID card, you should see a gold star. I encourage you to take a moment to check. Why does this matter? After Oct. 1, 2021, if you are one of the currently 9% of all Floridians, like my wife, who do not have the gold star, you will need more than just a driver's license to prove your identity to board a commercial airline. The REAL ID Act is a U.S. Department of Homeland Security effort to apply consistent security measures and issuance standards across all state-issued credentials, as a vital component of the country's national security framework. Check to make sure you have it. If not, you should take time to get a new driver's license with a star!

As updates are necessary for our upcoming trips we will keep you all posted. If you have any questions or concerns regarding our trips, please contact the trip leader. Other website changes include adding past newsletters which can be found under the "About" menu item.

Cheers, Cal

[Our Upcoming Trips](#)

Full trip details and registration are available by clicking on the trip name link.

This season the club is only offering the following 3 ski trips which will only go on the dates as listed. If you are concerned about signing up and then have the trip rescheduled, that will not happen. New trips to new resorts are already in work for next season. If the resort cancels the trip, full refunds are expected.

So join our president, Cal, and his wife, Jeannie, as they go on all 3 ski trips in what is to be expected to be more of a small club experience given current group gathering size limitations. A great opportunity to just hang out with your new best friends.
