SEPTEMBER 2021 NEWSLETTER

President's Message

With a gap week between our Schweitzer and Taos ski trips and with both resorts on the IKON ski pass, we have added Winter Park ski week to our offerings to allow members to combine 2 or 3 weeks of skiing using the IKON pass. Or you can do just one if that is your speed. All 4 weeks still have some availability so now is the time to make your winter vacation plans before they fill up.

Hard to believe but club elections are just around the corner this spring. We need a couple new board members so now is the time to sit in on one of our monthly meetings, enjoy a glass of wine and see if this is something you can help with to keep our club strong. Contact me for details.

Cheers, Cal
