

What's happening with the Space Coast Ski & Travel Club? Read this month's Snowbird newsletter....  
PLEASE share this newsletter with friends and encourage them to JOIN US!!

## MARCH 2023 NEWSLETTER

## President's Message

The 2023 ski season has come to an end for the Space Coast Ski & Travel Club. We welcomed several new ski members on each of our ski trips. Hopefully those who participated are all doing well and had a great time, I know the snow was great! The club is working on trips for 2024, both ski and travel, keep reading the newsletter and emails for information on when to register for them. There are new interest signup sheets this month for a Ladies Spa Weekend and a Scotland Tour. Check below for more details.

TRAVEL TIP OF THE MONTH: I am sure many of you are aware of this but I think it is worth mentioning. If you are connecting to random WIFI networks around the world, you need to protect your sensitive data when browsing the web. Hackers are getting smarter and more cunning and might be monitoring web traffic on an unprotected network. If you happen to enter your bank login or credit card details on a compromised network you could be at risk of having your accounts cleared out. For this reason please use a VPN to create a secure connection. Some side benefits are if a country blocks access to a social platform or website you should be able to get around that issue with the VPN connection. Some websites are also country specific or have different prices for people buying products outside of their home country. You can connect via a US site and avoid these issues.

Happy Travels, George

## Our Local Socials

Please join us on March 25th to go Blueberry Picking in Kenansville followed by drink at Camp Holly on SR 192 at the St. Johns River. Click link for [Details and Registration](#).
